BEER GARDEN

It's the place to be seen! Sit out under the century old oak trees, with a retractable canopy, pull down blinds and heaters to keep you toasty and dry. Suitable for a variety of celebrations, you can have your own smaller private area reserved or if a large enough group, you can take up the whole space.

THE MEZZ

This space oversees the whole dining hall and allows you to be a part of the hub bub, yet have your own space. The stained glass window is the perfect backdrop, and lets in the amazing coloured light especially as the sun goes down. The Good George Brew tanks sit proudly below. It is the perfect spot for birthday parties, quiz nights, fundraisers, engagements and product launches while enjoying a dedicated personal service from a private bar and our functions team.

THE ALCOVE

A cosy nook at the front of our dining hall which still catches the atmosphere of its surroundings but is intimate enough for a little privacy. Perfect for family get togethers, drinks and nibbles.
